PLACEMENT BROCHURE

ABOUT US

WE ARE THE FLAGSHIP PROGRAM OF DOMS.

Founded in 1974, the Department of Management Sciences (DoMS, formerly IME) at IIT Kanpur stood as one of the early proponents in the country to acknowledge the synergy between engineering training and management education.

At DoMS, the curriculum is well-structured framework, supplemented by a year-long thesis project, imparts an in-depth understanding of fundamental concepts. Practical exposure is facilitated through summer internships, affording students the opportunity to engage in hands-on project work within industrial settings.

The program places a primary emphasis on nurturing proficiency in the domains of Data Science, Analytics and Operations. Encompassing a diverse range of subjects from both engineering and management perspectives, the curriculum covers a wide spectrum. Topics such as Statistical Modelling, Supply Chain Management, as well as the Application of Optimization Techniques and Business Intelligence Tools in areas including economics, finance, marketing, and IT, constitute integral facets of the students' comprehensive learning journey.

INFRASTRUCTURE

IIT Kanpur boasts world-class infrastructure facilities. The department has been endowed with enviable computational facilities. In addition, the department is equipped with the latest tools and systems used in the industries for the students to obtain hands-on experience. Having some of the most complicated software, like product life cycle management, simulation, statistical analysis, financial modeling, process design, and control, etc., in the well-equipped laboratories allow the students to learn the vital skills enabling them to succeed in the future; both in industry and academia.

Department of Management Sciences has the following labs

- Energy Analytics Lab
- Smart Systems and Operations Lab
- Product Lifecycle Management Lab
- Management Computing Lab
- Virtual Lab– Production Shop Simulation
- Lab of MHRD
- Management Simulation Lab
- Departmental Library

.

ACTIVITIES

TECHNOLOGIES DEVELOPED

- Train Running and Loco Performance Simulation Software (RDSO & BHEL)
- TrackSafe: Decision Support System to Enhance Safety of Railway Track WorkersISTP-GITA

RESEARCH AND DEVELOPMENT

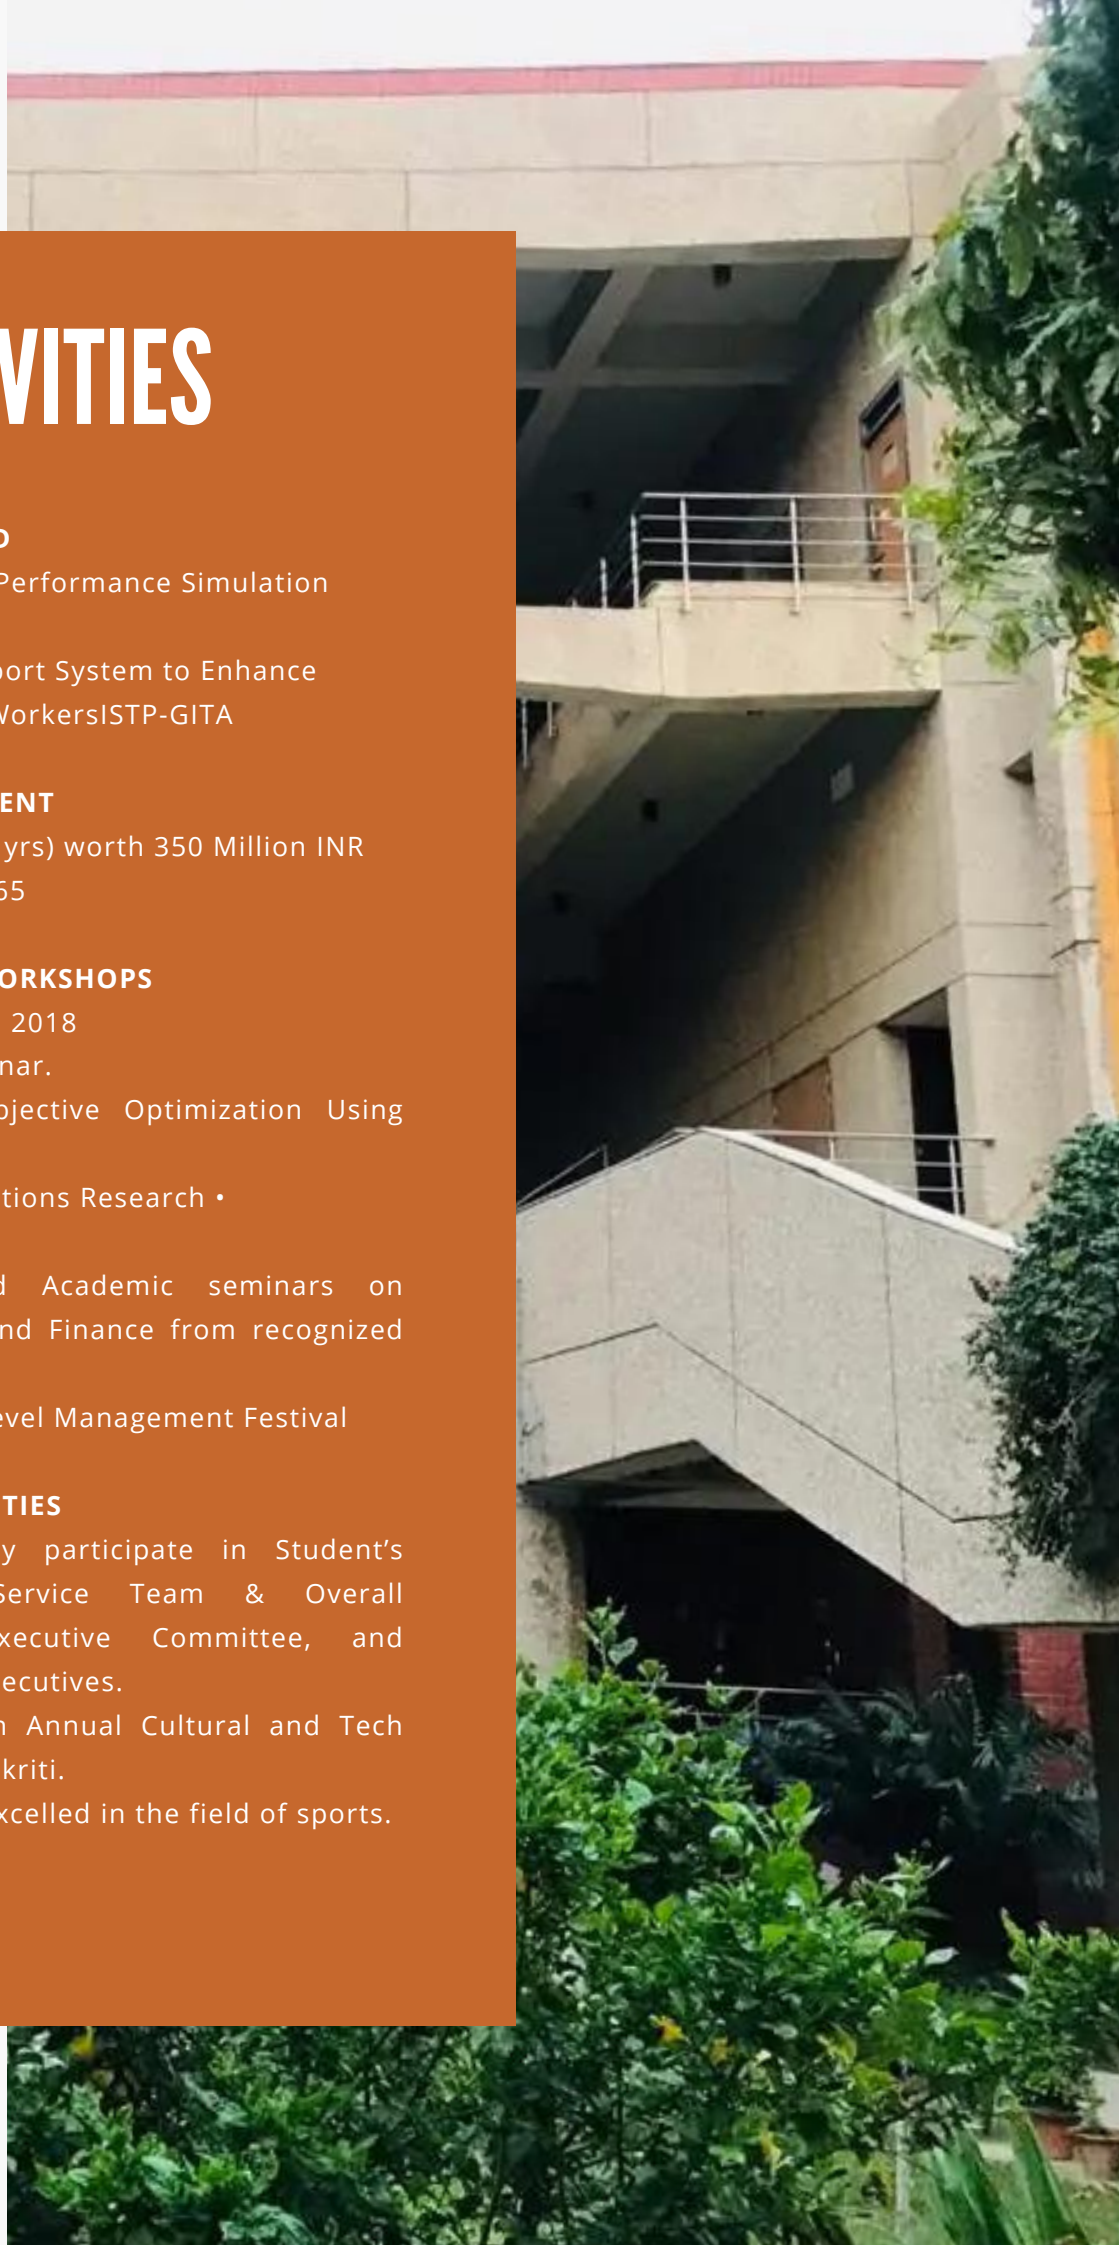

- Sponsored projects (in 5 yrs) worth 350 Million INR
- Total papers published: 65

EVENTS/ CONFERENCES/ WORKSHOPS

- IME Doctoral Colloquium 2018
- VIBGYOR - Monthly Webinar.
- GIAN Courses- Multi-objective Optimization Using Metaheuristic
- Data Analytics For Operations Research •
- Industrial visits
- Weekly Industrial and Academic seminars on Analytics, Operations, and Finance from recognized speakers.
- Prabandhan - National-level Management Festival

EXTRA-CURRICULAR ACTIVITIES

- DoMS students actively participate in Student's Senate, Counseling Service Team & Overall Coordinators, Hall Executive Committee, and Entrepreneurship Cell Executives.
- They also participate in Annual Cultural and Tech Fest- Antaragni and Techkriti.
- We have students who excelled in the field of sports.

FROM HEAD OF DEPARTMENT

Greetings from the Department of Management Sciences at IIT Kanpur! Since 1974, we've been a driving force in **Data and Analytics, Management Sciences**, **Operations Research**, and more. Our holistic Ph.D., M.Tech, and MBA programs foster complete techno-managers equipped to excel in complex business environments. With a diverse student body, our vibrant learning environment sparks innovative ideas.

Our alumni hold esteemed positions in IITs, IIMs, and companies like **Amazon and McKinsey**. Dedicated faculty, renowned for research and teaching, have garnered prestigious awards. Industry collaborations include Indian Railways and IOCL. With an updated curriculum and industry engagement, we're dedicated to upholding IIT Kanpur's legacy of excellence.

Dr. B. V. Phani,
Head, Department of Management Sciences (DoMS)

Building Blocks of DoMS

CURRICULUM

ACADEMIC COURSES

Analytics

- Probability And Statistics
- Applied Machine Learning
- Statistical Modeling For Business Analytics
- Time Series Modelling For Business Analytics
- Causal Inference for Business Analytics
- Advanced Statistical Methods For Business Analytics
- Data Mining And Knowledge Discovery
- Big Data For Management
- Marketing Research
- Introduction To Stochastic Processes
- Economic Analysis For Management
- Introduction To Game Theory Computing
- Introduction To Computing
- Computer-Aided Decision Support Systems

Operations

- Operations Research
- Operations Management
- Advanced Decision Models
- Supply Chain Management
- Design Of Production Systems
- Total Quality Management
- Project Management
- Management Decision Analysis
- Analytics in Transport and Telecom

Finance & management

- Financial Engineering
- Financial Modelling
- Simulation And Optimization
- Human Resources Management
- Business Process Management
- Business Management Using Cloud
- Software Project Management

SUMMER INTERNSHIPS

The two-year MTech program requires students to do a compulsory summer internship at the end of the first year between May and July for two to three months. To cater to the growing industry demand, most students undergo internships in the fields of Data Science, Business Analytics, Marketing, Supply Chain, Finance, and Operations.

THESIS

One year-long thesis work aims to provide more profound knowledge in the field of interest. This thesis covers exhaustive areas of & Management Science such as Market Basket Analysis, NLP, Big Data Analytics, Financial Analytics, Optimization, ERP, Heuristic Development, Simulation of Business Systems, and SCM.

INTERNSHIP STATISTICS 2022-2024

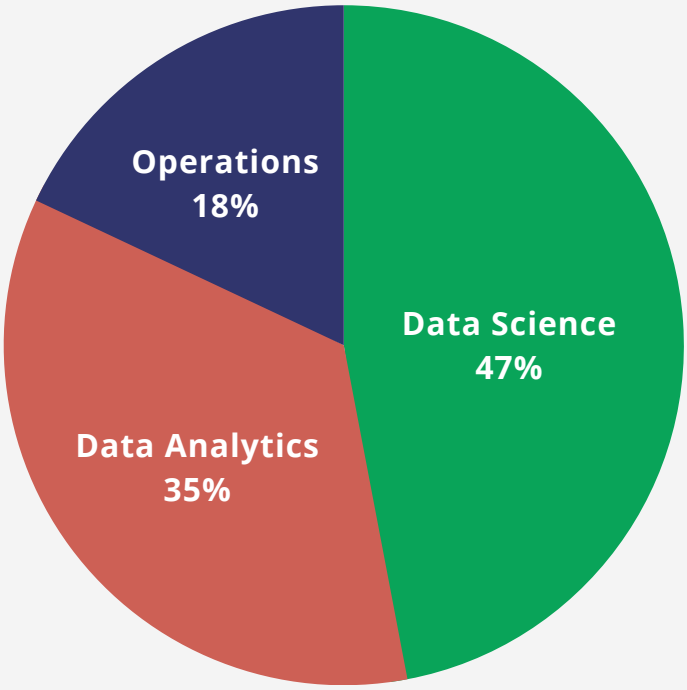

Welcome to the Vibrant Class of 2022-24: Our batch comprises a diverse group of young, energetic, and dynamic candidates hailing from various engineering streams.

A Touch of Professionalism: Notably, several students in this batch bring valuable prior work experience from diverse industries, enriching the learning environment with their unique insights.

MTech Excellence: The students of the DoMS MTech program were presented with exciting internship opportunities across a spectrum of domains, enhancing their practical exposure and knowledge.

PROFILES OFFERED

Data Analytics 35%
Data Science 47%
Operations 18%

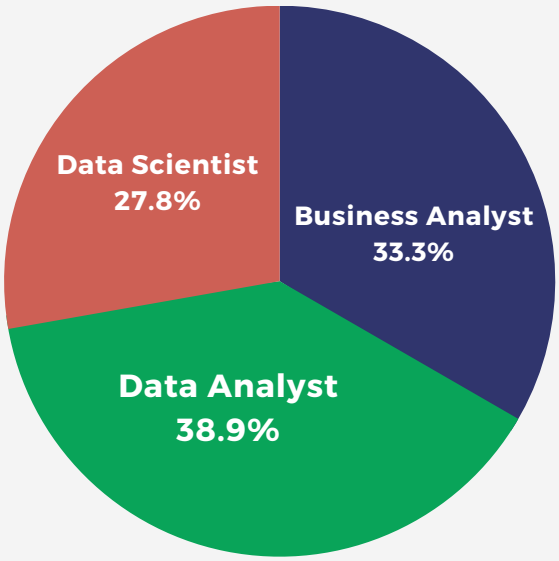

PLACEMENT STATISTICS

Experience Excellence in Placements! Our dynamic batches of 2020-22 and 2021-23, composed of energetic and diverse candidates from various engineering streams, have set a high standard.

Our MTech Department of Management Sciences (DoMS) graduates have secured various roles tailored to their individual passions. Witness how our accomplished seniors continue to bring pride to the department.
