MESSAGE FROM

THE HoD

Prof. B.V. Phani

On behalf of the Department of Management Sciences at IIT Kanpur, I would like to place on record our heartfelt gratitude towards the industry for validating the unique potential of our curricula that integrates technology, engineering, and analytics in management decision-making with the vision of spawning a new generation of successful managers with significant analytical skill and ecisionmaking capabilities. Given the fact that effective management has moved more towards being more of a science with the continuing exponential explosion in data rather than an art, we believe that our move in this direction leveraging the underlying technical strength and resources at IIT Kanpur helps us train our students providing them with a unique skill set critical to industry in managerial decision-making process.

This has been substantiated time and again by not only a significant increase in the number of companies who come to campus but also the 100% placements we have been able to continuously achieve. We have been blessed with the largest number of offers and highest year on year percentage growth in the packages offered to our students corroborating the value proposition offered by us to the industry. With your unflinching support and encouragement in fostering this symbiotic relationship we hope to continue this in the near future too.

MESSAGE FROM

FACULTY COORDINATOR

Dr. Suvendu Naskar

Assistant Professor

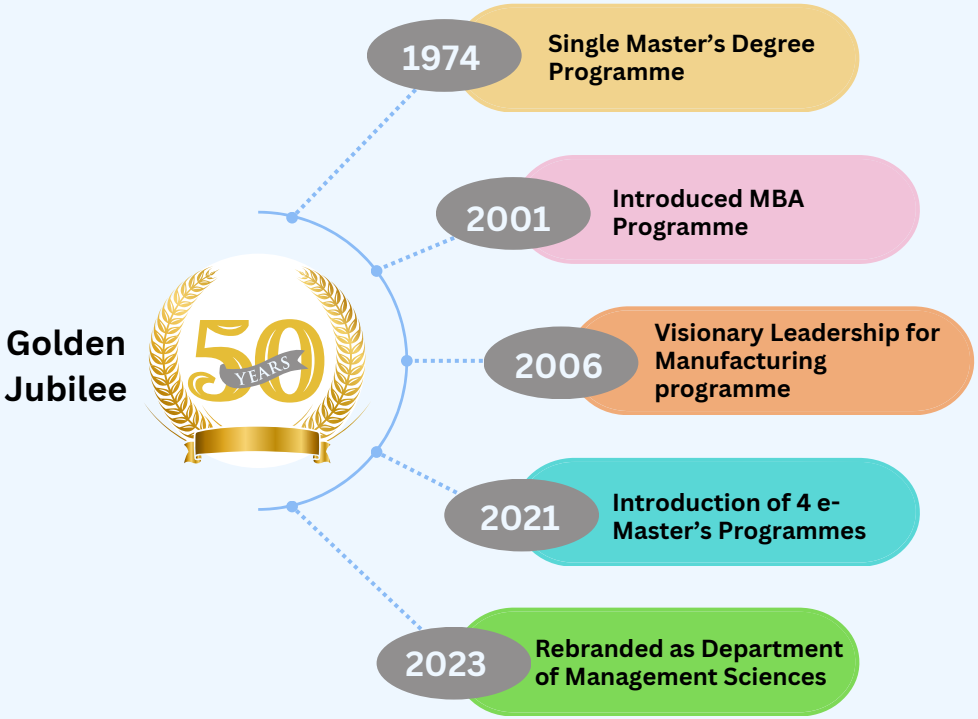

Our Final Placement season for the 2022-2024 batch has been another resounding success, with significant achievements despite the challenging market conditions. We managed to secure placements for everyone enrolled through the placement committee. This year, we achieved a year-on-year growth of 13.5% in median CTC, maintaining the highest CTC and average CTC, which underscores the strong industry relations of our department. The total number of recruiters increased from 11 to 21, coming from diverse domains such as Ecommerce, BFSI, Manufacturing & FMCG giants, Consulting, and Analytics.

Our students secured various roles, including Brand Manager,Investment Analyst, Risk Analyst, Product Manager, Data Analyst, Business Development Associate, Strategy Consultant, and Portfolio Management. We have consistently maintained our NIRF ranking and are proud to enter the golden jubilee of our department. I want to extend my heartfelt gratitude to our recruiters, alums, student placement coordinators, faculty colleagues, and staff members of the Department of Management Sciences for their unwavering support throughout this placement season, making it a tremendous success.

Department of Management Sciences, IIT Kanpur

The Department of Management Sciences (DoMS) at IIT Kanpur was set up in 1974. It is the first in the country to recognize the strength of combining the training of engineers with management education. The MBA program was started in 2001. Since its inception it has possessed many millstones and stood 23rd position in NIRF Management Ranking 2023.

KEY HIGHLIGHTS

Established in 1974

DoMS introduced its MBA program in 2001

Prestigious Alumni

Alumni hold prestigious positions in organizations such as UPSC, Barclays, McKinsey & Amazon

Consistent Ranking

Consistently ranked among the top 20 business programs in the country

Significant Projects

Engaged in significant projects with Indian Railways, IOCL, and the Indian Armed Forces

Distinguished Faculty

Faculty are distinguished alumni from IIMs, IITs, and IISc Bangalore

Notable Faculty

Faculty have held director positions at IIM Mumbai, IIM Lucknow, IIIT Bangalore

Best Return on Investment (ROI)

Offers the best (ROI) among elite business schools

PROGRAM OVERVIEW

Technology plays a pivotal role in Business. Nearly all businesses and corporations on this globe use computing ranging from the most fundamental to the most difficult of operations. We believe in coursework importing state-of-art business knowledge coupled with an emphasis on experiential learning achieved through a summer internship, corporate interaction, giving projects, and extracurricular activities.

In order to fulfill the requirements of the MBA program, students must complete the required credits

70	+	110	+	36	=	216

FACULTY PROFILE

Dr. B.V. Phani
Professor and HOD
Fellow in Management (IIM Calcutta)
Area of Interest
Financial Management, Valuation & Real options, Corporate Governance, Entrepreneurial Finance and Financial Intermediaries & Financial Markets

Dr. Abhinava Tripathi
Professor
Ph. D. (IIM Lucknow)
Area of Interest
Financial Markets, Market microstructure, Liquidity, Market Efficiency, Banking, Corporate Banking, Credit risk management in Banking, Project Finance, Investment Management, Derivatives, Security Analysis and Portfolio Management, Corporate Finance, Financial Management, Corporate Valuation and Restructuring, R programming: Quantitative applications in Finance with R, Accounting, Financial Accounting, Management Accounting

Dr. Amit Shukla
Professor
Fellow in Management (IIM Lucknow)
Area of Interest
Emerging Employment Relationship, Citizenship Behaviour, Psychological Ownership, Positive OB, Academic Excellence, Staffing, Talent and Performance Management

Dr. Anoop Singh
Professor
Fellow in Management (IGIDR Mumbai)
Area of Interest
Infrastructure and Regulatory Issues, Energy and Environment, Microeconomics

Dr. Nivedita Bhaktha
Professor
Ph. D. (The Ohio State University)
Area of Interest
Psychometrics, Data Quality Assessment, Multivariate Analysis, Latent Variable Modeling, Categorical Data Analysis, Simulation Studies, Data Visualization, Survey Research, Research Methods

Dr. Faiz Hamid
Professor
Fellow in Management (IIM Lucknow)
Area of Interest
Operations Research, Combinatorial Optimization, Network Optimization, Data Science

Dr. Veena Bansal
Professor
Ph. D. (IIT Kanpur)
Area of Interest
Data Science, Software Project Management, ERP

Dr. Devlina Chatterjee
Professor
Ph. D. (IISc. Bangalore)
Area of Interest
Managerial Economics, Applied Econometrics, Rural Economics, Empirical Finance.

Dr. Avijit Khanra
Professor
Fellow in Management (IIM Ahmedabad)
Area of Interest
Scheduling, Stochastic Systems, Inventory and Supply Chain Management

Professor
Ph. D. (IIM Calcutta)
Area of Interest
Law and Finance, Culture and Finance, Creditor Rights, Banking, Corporate Finance

Dr. Jitender Kumar
Professor
Ph. D. (IIT Roorkee)
Area of Interest
Brand Management, Consumer Psychology, Brand Communities

Dr. Jothsna Rajan
Professor
Ph. D. (IIM Bangalore)
Area of Interest
Partnerships, Public Administration, Policy Evaluation

Dr. Parvati Neelakantan
Professor
Ph. D. (University College Dublin)
Area of Interest
Financial Data Science, Sustainable Finance

Dr. R. R. K. Sharma
Professor
Fellow in Management (IIM Ahmedabad)
Area of Interest
Quantitative Methods, Manufacturing Policy, Strategic Management.

FACULTY PROFILE

Dr. Mousami Prasad
Professor
Ph. D. (IIT Bombay)
Area of Interest
Energy and Climate Change Economics; Energy Transition; Energy Policy; Industrial decarbonisation (Green Steel; Green Hydrogen

Dr. Deepu Philip
Professor
Ph. D. (MSU Bozeman)
Area of Interest
Decision Support Systems, Robust planning & scheduling with local searches, Systems simulation, Smart systems, AI based searches, Experimental design, Entrepreneurial decisions, ITS

Dr. Prerna Gautam
Professor
Ph. D. (University of Delhi)
Area of Interest
Operational Research, Optimization, Sustainability, Waste Management, Service Operations Management

Dr. Raghu Nandan Sengupta
Professor
Fellow in Management (IIM Calcutta)
Area of Interest
Statistical Inference Problems , Data Envelopment Analysis (DEA), Multicriteria Decision Making, Network Flows, Econometrics methods in Finance.

Dr. Subhas Chandra Misra
Professor
Ph. D. (Carleton University)
Area of Interest
Business Process Management, Enterprise Resource Planning (ERP), ERP and Supply Chain Management, Business Analytics/Data Analysis, E-Governance, Project Management

Dr. Suman Saurabh
Professor
Ph. D. (IIM Ahmedabad)
Area of Interest
Corporate Finance, Payout Policy, Investments, Derivative Pricing

Dr. Sourav Majumdar
Professor
Ph. D. (IIM Ahmedabad)
Area of Interest
Circular Statistics, Quantitative Finance, Topological Data Analysis

Dr. Rahul Varman
Professor
Fellow in Management (IIM Ahmedabad)
Area of Interest
The Political Economy of Corporations, Globalisation and Working Classes, Governance of Global Value Chains

Dr. Vinay Ramani
Professor
Ph. D. (University at Buffalo)
Area of Interest
Economics-Operations Management Interface; Industrial Organization; Pricing Strategy

Dr. Vipin B
Professor
Ph. D. (IIT Madras)
Area of Interest
Decision Theory, Inventory Theory, and Supply Chain Management.

Dr. V. Giridhar
Professor
Ph. D. (IIM Shillong)
Area of Interest
Subaltern Consumer Culture, Consumer Behaviour, Retail Management

  Data Mining and Knowledge Discovery | Advanced Statistical Methods for Business Analytics | Introduction to game theory | Probability and Statistics | Introduction to Computing | Stochastic Processes and Their Applications | Computer Aided Decision Systems | Analytics in Transport and Telecom | Software Project Management | Advanced decision models | Applied Machine Learning | Financial Engineering | Operations Management | Frontiers in Operations Management | Management Decision Analysis | Productivity and Efficiency Analysis

BATCH HIGHLIGHTS 2023-25

ACADEMIC DIVERSITY

WORK EXPERIENCE

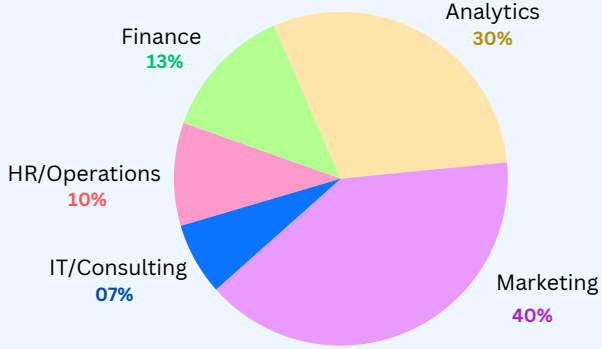

FINAL PLACEMENTS 2022-24

The final placement process at the Department of Management Studies (DoMS), IIT Kanpur, witnessed remarkable achievements this year. A total of 21 companies actively recruited from our campus, offering a diverse array of job profiles. This represents a 0.9x increase compared to the previous year, highlighting the growing interest of recruiters in our talent pool. The rigorous curriculum, coupled with practical exposure, continues to attract industry attention who were impressed by the exceptional quality of our program and the remarkable skill set possessed by our students. Reflecting recent industry trends and aligning with the evolving business landscape, a significant portion of recruiters specialized in Analytics, Finance and Marketing. IT companies extended several offers, providing additional avenues for our students. The tech sector remains a vital contributor to our placement success which exemplifies the techno-managerial approach of the department.

SUMMER PLACEMENTS 2023-25

The summer of 2024 witnessed a surge in corporate engagement. DoMS, IIT Kanpur, hosted an impressive lineup of 47 companies, including regular recruiters like Axtria, Oxane, IndiaMart, Mphasis, Tiger Analytics, and ICICI Bank. Notably, the number of recruiters increased by 1.76x compared to the previous year. New entrants, such as Amul, Trident, Dabur, Media Ant, and Electra EV, added fresh perspectives to the offered profiles. The campus was excited as students prepared to contribute meaningfully to their organizations. In this symbiotic exchange, industry gains fresh talent while students refine their skills, build networks, and shape their career trajectories. The Summer Internship Program remains a testament to the synergy between academia and business—a bridge that propels future leaders toward excellenc

REFLEXIONS & VOX POPULI

REFLEXIONS

REFLEXIONS, part of Prabandhan, is an event that brings together CXOs and founders from various industries to exchange insights, experiences, and innovative ideas. It provides a dynamic platform for engaging dialogue and explorative thinking, fostering diverse perspectives. The event aims to prepare future industry leaders through thought-provoking discussions on pivotal business areas. REFLEXIONS encourages participants to delve into critical business issues, share best practices, and collaborate on solutions, driving growth and innovation across sectors. By facilitating meaningful conversations, REFLEXIONS plays a crucial role in shaping the future of business leadership among MBA students.

VOX POPULI, part of the annual Management Conclave Prabandhan'24, is a comprehensive platform covering four key management domains: Marketing, Finance, Analytics, and Human Resources. It unites industry leaders to share insights and experiences, offering invaluable perspectives on the evolving corporate landscape. This event provides a unique opportunity for attendees to engage with experts, gain knowledge on current trends, and understand the challenges and opportunities in these critical areas. By fostering an environment of learning and networking, VOX POPULI equips participants with the tools and insights needed to navigate and succeed in the dynamic business world.

VOX POPULI

K-ALEIDOSCOPE

Bridging Academia and Industry

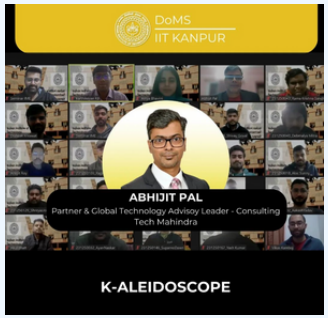

K-aleidoscope is a premier DoMS, IIT Kanpur event designed to unite CXOs, industry experts, and founders from diverse sectors. This event provides a unique platform for MBA students to gain insights into industry trends, effectively leveraging their academic learning for real-world applications.

K-aleidoscope fosters a professional environment where students can explore how various industries operate, merging theoretical knowledge with practical practices.

Each session allows students to engage directly with professionals, ask questions, and expand their understanding, fueling their thirst for learning and growth. This dynamic interaction equips students with the skills and perspectives to thrive in their careers.

INTERNATIONAL EXCHANGE

We pursue, encourage and facilitate strong, cordial and long term collaborative and exchange programmes. These involve participation in technology development, research and education. They mutually benefit the faculties and students of both, ours and our partner Universities.

Dual MBA Programme
University of Wisconsin-Milwaukee

This partnership program provides you with the opportunity to expand your horizons by coupling your MBA from IITK with a STEM-designated MBA program from UWM's Lubar College of Business, a top business school accredited by AACSB International.

University of Wisconsin-Milwaukee
The University of Wisconsin-Milwaukee provides a world-class education to 22,000 students from more than 80 countries.

Lubar College of Business
The Lubar College of Business is home to more than 3,400 students enrolled in 42 business degree and certificate programs. Accredited for over 50 years by AACSB International, the Lubar College is Leading through Analytics and Innovation.
